

GENREI VARGAS

IT Support Specialist | Tech VA | E-commerce Support

Portfolio: genreivargas.github.io/WebPortfolio | +956 957 0855 | San Jose Del Monte, Bulacan

SUMMARY

Detail-oriented IT graduate with internship experience in data entry, inventory management, document organization, and administrative support. Proficient in Microsoft Office and Google Workspace for data processing, reporting, and file management. Skilled in technical troubleshooting, software setup, and system maintenance to support both technical and business operations. Strong problem-solving ability, attention to detail, and adaptability in fast-paced environments. Seeking opportunities as a Tech Virtual Assistant, IT Support Specialist, or E-commerce Inventory Specialist.

WORK EXPERIENCE

OJT / Intern, Hytec Power Inc.

Feb 2026 - May 2026

- Encoded product information into the Equipment Marketplace system, improving data accuracy, usability, and system organization
- Updated and maintained inventory records using Microsoft Excel, ensuring reliable tracking and reporting of equipment data
- Organized and managed digital files and documentation, improving workflow efficiency and data accessibility across teams
- Assisted in administrative and IT support tasks, contributing to smoother daily operations and reduced workload delays
- Verified employee attendance records for accuracy, ensuring proper documentation and reporting consistency
- Supported staff in operational tasks, improving productivity and assisting in time-sensitive office requirements.

EDUCATION
