PROFESSIONAL SUMMARY

Detail-oriented IT graduate with hands-on experience in data entry, inventory encoding, document management, and administrative support through internship and academic training. Skilled in Microsoft Office and Google Workspace for data processing, reporting, and file organization. Strong problem-solving and attention to detail with the ability to support both technical and business operations in fast-paced environments. Seeking opportunities as a Tech VA, IT Support Specialist, or E-commerce Inventory Specialist.

EXPERIENCE

OJT / Intern | Feb 2026 – May 2026

Hytec Power Inc. | Quezon City, Philippines

- Encoded product information into the Equipment Marketplace system, improving data accuracy, usability, and system organization
- Updated and maintained inventory records using Microsoft Excel, ensuring reliable tracking and reporting of equipment data
- Organized and managed digital files and documentation, improving workflow efficiency and data accessibility across teams
- Assisted in administrative and IT support tasks, contributing to smoother daily operations and reduced workload delays
- Verified employee attendance records for accuracy, ensuring proper documentation and reporting consistency
- Supported staff in operational tasks, improving productivity and assisting in time-sensitive office requirements
